

Individual Team Member's Registration Form

In an effort to secure our club status, for insurance reasons, to allow us to contact all regular members for special events, and to keep our club data files up to date for the future issuing of membership cards and logins for the website, it is important that all teams fill out the following form. This data will not be released to any outside source, and will only occasionally be used to send event details to all members. General information will still be issued to captains directly, and **by the 1st May 2011** will only be accessed on the club website, www.intersevens.com. You can add to this during the season through the website, and teams can also invite players up that are not members.

Fill out clearly in Block capitals ONLY
